

LICENCE TO POSSESS VETERINARY BIOLOGICS (FOR RESEARCH AND DEVELOPMENT PURPOSE)

ANIMALS AND BIRDS ACT, CHAPTER 7.

Licence No: **LPVB2200011**

Name **JAMES COOK UNIVERSITY PTE. LTD.**
Company Name **JAMES COOK UNIVERSITY PTE. LTD. (200100786K)**
Address of Company **149 SIMS DRIVE
SINGAPORE 387380**

is hereby licensed to possess veterinary biologics subject to the conditions below:

The Animal & Veterinary Service ("AVS") is cluster of the National Parks Board, a statutory board constituted under the National Parks Board Act (Cap. 198A).

1. The licensee shall have in his possession only those veterinary biologics approved by the Animal & Veterinary Service (AVS) and shall keep a record of these biologics for inspection by AVS. 2. The licensee shall not sell any of the veterinary biologics without the permission from the Director-General, Animal Health and Welfare. 3. The licensee shall ensure that any transfer of the veterinary biologics within Singapore is only carried out to a holder of the AVS Licence to Possess Veterinary Biologics. 4. The licensee shall not dispose of any veterinary biologics unless they have been adequately treated so as to destroy any infective materials. 5. The licensee shall not use the premises for trading in veterinary biologics (ie. vaccines, sera, etc.). 6. The licensee shall ensure that no infective materials are intentionally or accidentally taken out of the premises. 7. The licensee shall inform AVS immediately should there be a loss of any veterinary biologics, eg. due to theft.

This licence is valid from **30 NOVEMBER 2022** to **31 OCTOBER 2023**.
